Features

A complete dimensionally stable product with the unique resistance power against

- Surface Wear
- Any Kind of Stain
- Immersion in Boiling Water
- Scratching
- Cigarette Burns

Product Specification:

- Product

: Paper based Decorative Laminate Sheets
- Size

: 2440x1220 mm
- Thickness

: 0.9 mm (± 0.05 mm)
- Finish

: Matt, Gloss, SF and Exclusive Textures
- Maintenance

: Clean with mild soap solutions or house hold detergent, abrasive cleaners should not be used, it is recommended for vertical use only. Avoid direct sunlight.
- Resistance

: To surface wear, immersion in boiling water, dry heat, impact by small dia, Ball, cigarette burns, staining, scratches, colour change in xenon light.

- Guaranteed Thickness
- High Quality Back Sanding
- The Samples shown in the Shade Chart are only indicative of the color patterns and shades available.
- Company warrants that all its products are free from manufacturing defects and perfectly fit for use under normal conditions. In case of any claims, the liability of the Company is however limited to the cost of the product only.

The samples shown inside the folder are for reference purpose only. For actual thickness and back sanding please refer to the sample shown below...
